

Residency Feedback

Please let me take this opportunity to thank you for having Three Left Feet into your school! We enjoyed our time in your world and feel extremely fortunate to have made some new friends and shared our enthusiasm for Fine Arts Education in Alberta.

Even though it is immensely enjoyable, our program content and delivery aren't things we take lightly so please take a few moments to give us some feedback.

When we are in schools with our residency program, we don't always have a chance to have a full debriefing conversation. If you could complete and return this feedback form, we assure you that your comments will have a direct impact on our creation process and delivery of future residencies. Thank you.

Happy Dancing!
